INCLUSIVE SERVICE CHARGE

Service charges are often a source of concern for tenants.

We can provide a fixed service charge (subject to annual RPI increases) which includes:

- reception staff
 - building repairs and maintenance
 - electricity (including for your suite)
 - heating
 - cleaning of common areas
 - fire alarm, health & safety compliance etc
- in other words pretty much all the costs associated with the building other than telephones, cleaning your own suite and insurance.

So you don't have any risk of being charged for some unexpected problem in the building! You know exactly what your costs will be and can plan ahead on that basis - particularly useful if you have to enter into fixed price contracts yourself.

GREAT LOCAL AMENITIES

STAFF WILL LOVE IT!

Attracting and retaining quality staff is the major challenge for most organisations. Being based at Eastgate House will help. All amenities are nearby - shops, banks, bars and restaurants and the GL1 Leisure Centre is just next door - ideal for a lunchtime swim or work out!

It is a large and busy building with a lively and friendly atmosphere.

Public transport is excellent with buses passing outside the front door. Gloucester railway station and the new bus station are just a few hundred yards away. We have a large secure car park with remotely operated barriers, CCTV and good lighting.

IDEAL FOR ORGANISATIONS SERVING THE PUBLIC

Eastgate House is easy to find and get to - whether by public transport or car. There is a large NCP car park behind the building as well as our own car park.

The building has a manned reception with friendly staff who are used to helping visitors - of which we have a large number.

There is CCTV covering the car parks and internally on every floor so we can track visitors arriving and moving through the building.

FLEXIBLE SPACE

We have suites from 130 sq ft up to 4,500 sq ft and everything in between (up to a total of c9,000 sq ft) so let us know what you need!

FLEXIBLE LEASE TERMS

We can offer a lease which suits your requirements in terms of length and flexibility including 'all-in' deals. All rents and charges are subject to VAT. Business rates are payable by the tenant.

FULLY SERVICED SPACE

We can provide fully serviced space complete with furniture, data cabling, broadband and phones for a weekly charge from £75 per week - ready to go

OUR QUALITY TENANTS

YOU'LL BE IN GOOD COMPANY

"The location is great, the security and car parking is excellent and the owner of the property has always been very accommodating."

Graham Ellery, Pennine Vibropiling

"I have been based here for over six years and continue to be impressed with the value for money and with the friendliness and flexibility of Mark, the landlord. We have recently added to the space we rent from Loxton Developments and I hope to expand further at a later stage. When you are a small but growing business, you really can benefit from an environment such as that available in Eastgate House, and flexibility from the landlord is crucial in this regard."

Peter Cartwright, Loop Scorpio

"Finally, I would like to thank you for all your support and being such a great landlord. I wish you the very best into the future. Very much appreciated."

Simon Dickinson, Group CEO Optima Health

"I would like to take this opportunity to thank you. I have found Eastgate House to be brilliantly run. It is clean, efficient, professional and so very welcoming. Kind regards and thank you."
